“ Sissy, you were a very special aunt to me. I enjoyed picking you up at the airport each time you came in to visit your family. I looked forward to going to Myrtle Beach, SC each year with you and mom. You are already heavily missed by me. I enjoyed talking to you and making each other laugh. I also enjoyed getting in my car and taking you and mom around town and throughout the Tri-Cities area. You really had an awesome personality that really stood out in the family. You enjoy catching up on conversations with your mom and dad. Your dad will finally get to see what a beautiful soul you are. I am having a difficult time with you leaving us, but soon we will all be in Heaven with you; laughing and talking again. Enjoy our Father in Heaven and enjoy smiling from up above at us talking great things about you! Love always, your nephew Mike.
