“ Johnny was my cousin and I have so many great memories of him, but ones that stand out most to me are summer time at papaw and mamaw Butler's house. Mamaw would keep all of us grandkids most of the summer while our parents would work and all of us would have a great time playing in the creek and just being mischievous. Papaw would have us all pick up rocks in the field where he would plant corn...we complained about it then, but boy I would love to have some of those days back; when life was so fun and not a care in the world. Just playing with all your cousins and enjoying life. Then you grow up and don't see one another as much but you always have all the great memories you once shared. I will miss Johnny so much but I will always treasure all the good times we had and he will be in my heart forever. To his sweet wife, Sharon, who is our family and will forever be family: all my love and prayers to help her get through this. And my angel of an Aunt, Phyllis, I Love You so much and I will be here for you when you need me. Many prayers and lots of Love,
Tammie...

“ Johnny was such a good person and probably made everyone he knew a piece of woodwork or something special out of wood. Aunt Phyllis I'll stay by your side as you did mine. This doesn't seem real. Sharon I am so sorry for the loss of your husband. I know Johnny loved you with all of his heart. He texted me such sweet texts on Monday March 1 2021 and i'll keep them forever and will cherish our pictures we took recently FOREVER. I will carry all the sweet memories in my heart forever and ever. Losing you, Johnny, and being with Phyllis at the hospital will live in me forever. Aunt Phyllis, Johnny is with Steve and Tracy now and I am so so sorry that God called him home so soon. He will never be forgotten, not ever. He was good to everyone and will truly be missed by all of us. Love You So Much Aunt Phyllis and Sharon. Love his cousin Debbie.
